Program Overview and Requirements

The Critical Language Scholarship (CLS) Program is an intensive overseas language and cultural immersion program for American students enrolled at U.S. colleges and universities. Students spend eight to ten weeks abroad studying one of 15 critical languages. The program includes intensive language instruction and structured cultural enrichment experiences designed to promote rapid language gains.

The CLS Program is sponsored by the U.S. Department of State with funding provided by the U.S. Government. It is supported in its implementation by American Councils for International Education.

The CLS Program reserves the right to change or cancel any or all overseas institutes based on safety, health, and security considerations, and other factors.

Depending on health and safety considerations, the U.S. Department of State may choose to hold some or all of the 2022 CLS institutes virtually. In completing this application, you will be considered for the 2022 CLS Program for your chosen target language based on the existing selection criteria, regardless of program format.

Eligibility

To be eligible for the CLS Program you must:

- Be a U.S. citizen or national at the time of your application.
 - Others, including Permanent Residents, are not eligible, even if they anticipate naturalization by the beginning of the program.
- Be enrolled in an accredited U.S. degree-granting program at the undergraduate (associate's, bachelor's) or graduate (master's, doctoral, professional degree) level at the time of your application.
 - Your program must result in a degree. Applicants who are taking stand-alone or continuing education classes are not eligible.
 - Your institution must be an accredited U.S. institution. Students earning degrees at foreign institutions that are not based in the U.S. or its territories are not eligible, even if those institutions are accredited by a recognized U.S. accrediting agency.
 - You must be enrolled at this institution in the fall term of 2021. There are limited exceptions to the enrollment requirement; please read the following information carefully:
 - If you are not taking classes at your home institution in the fall term, please confirm that you are, in fact, enrolled. Institutions have different requirements to maintain enrollment status and you will be required to provide a signed letter from your **registrar** stating that you were enrolled during the fall term.
 - If you are taking a leave of absence to participate in an organized term- or year-long study abroad program, or to participate in a substantive internship program, you may request an exception to the enrollment requirement. Exceptions may only be granted in these two cases, and decisions will be made on a case-by-case basis.
 - **In either case, you must submit a signed letter from your home college or university in the U.S. explaining your situation and your intention to re-enroll following the completion of your study abroad or internship program. You must also submit**

documentation from the program provider explaining the opportunity and confirming your participation. This documentation may be submitted to American Councils by email at cls@americancouncils.org.

- You must successfully complete academic requirements for the fall term in order to remain eligible for the CLS Program. Students who withdraw or fail to maintain a passing grade average are not eligible to participate in the program.
- Be at least 18 years old by May 15, 2022.
- If in an undergraduate program (bachelor's or associate's), complete at least one full year of study (two semesters or three quarters) by the beginning of the CLS Program in summer 2022.
- You may only apply once, for one language program, each summer. Applicants who submit multiple applications will be considered ineligible.
- Participation is limited to a total of two CLS awards for any individual. Applicants who have been selected for and participated in the CLS Program one time may apply for a second award. Applicants who have successfully completed the CLS Program two or more times in overseas locations are not eligible to apply again. This limitation does not include participation in a 2020 CLS Virtual Institute.

The following persons are ineligible for the CLS Program:

- Employees of the U.S. Department of State who work in offices under the Deputy Assistant Secretary for Academic Programs, in the Bureau of Educational and Cultural Affairs (ECA), for a period ending one year following the termination of such employment;
- Employees of private and public agencies under contract or grant with the U.S. Department of State who perform services related to the Critical Language Scholarship Program, for a period ending one year following the termination of their services; or
- Immediate family members (i.e., spouses and dependent children) of the individuals described in the above paragraphs, for a period ending one year following the termination of such employment or service. This provision does not disqualify self-supporting members of families who live apart from their parents.

These provisions do not extend to part-time or temporary employees, consultants, or interns of the U.S. Department of State (including at U.S. Embassies and Consulates), or to contract employees of the U.S. Department of State, unless such persons perform services related to the Critical Language Scholarship Program.

For applicants to the Fulbright U.S. Student Program

Applicants to the CLS Program may apply for and receive both a CLS Program award and a Fulbright U.S. Student Program award in the same academic year. However, participants may not accept both a CLS Program award and the Fulbright Critical Language Enhancement Award, which provides supplemental critical language study funding for Fulbright U.S. Student Program grantees, in the same academic year.

If a participant receives a Fulbright grant with a mandatory pre-departure orientation that falls during the CLS Program period, he or she may need to choose between accepting the CLS Program award and the Fulbright grant.

Felony and misdemeanor convictions

Applicant situations involving a felony or misdemeanor conviction will be reviewed on a case-by-case basis. Minor traffic violations do not need to be reported as misdemeanors. Please note that the applicant may also be asked to submit supporting documentation.

University disciplinary action

Applicant situations involving university disciplinary action will be reviewed on a case-by-case basis. Please note that the applicant may also be asked to submit supporting documentation.

Failure of an applicant to fully report felony and misdemeanor convictions or university disciplinary action will result in termination of the application.

Participation Requirements

The health and well-being of participants and staff are top priorities of the CLS Program. The CLS Program is a rigorous immersion program and may be physically and emotionally challenging. Each student must be committed to working hard and participating fully in the group program, beginning with the mandatory pre-departure orientation through the completion of the program.

Note that some program dates may overlap with the spring or fall academic term at your institution, and it may be necessary to work with your institution to accommodate the program dates.

Each participant must:

- Be able to stay alert and to focus attention for up to several hours at a time during classes, while participating in cultural activities, and when receiving staff instructions.
- Attend the pre-departure orientation and all daily classes and activities, as dictated by the program schedule and for the duration of the program (program dates will be announced prior to the deadline for accepting the award, if offered).
- If taking prescription medications, be able to maintain proper dosage without assistance from instructors or others (except in emergency situations).
- Perform necessary self-care, including maintaining adequate nutrition and hydration, dressing appropriately for environmental conditions, maintaining personal hygiene, and managing known medical conditions.
- Comprehend, and follow detailed instructions on travel, risk management, personal care, hazard avoidance, and other topics.
- With reasonable accommodations, be able to navigate transportation independently between program-provided housing and the institute site, a maximum of approximately one hour each way.
- Work effectively as a member of a team despite potentially stressful and difficult conditions. This may require problem solving on an interpersonal or group level as well as a willingness to accept differences.
- Contribute to a safe learning environment. No inappropriate verbal or physical behavior toward others, either in person or online, is tolerated for any reason.
- Effectively communicate ideas and concerns on an individual and group level.

Medical Review

If selected for a CLS award, you will be required to submit a medical information form and physician's statement to the CLS Program for review by an independent medical professional. Results of the medical review will determine if you meet medical requirements necessary for program placement and participation in the CLS Program. You must also inform the program of any changes in your health status between submission of these forms and the start of the summer program in order to participate.

Passports

All participants must enter the host country on a U.S. passport. In most cases it is not possible for individuals with dual citizenship to participate in the CLS Program in the country of his or her other nationality due to host country laws or policies requiring citizens to enter the country using the passport issued by that country alone. In some cases this may also apply to students whose parents hold citizenship in the host country. Applicants are responsible for determining whether they have, or are eligible to have, dual citizenship with the host country, and to address any potential consequences before accepting a CLS award.

Note: The United States is experiencing long wait times for new passport applications and passport renewals. Routine passport service can take up to 18 weeks from the day an application is submitted to the day a new passport is received. The 18-week timeframe includes up to 12 weeks for processing and up to 6 weeks for mailing times on the front and back end. You are encouraged to apply for a passport or passport renewal as soon as possible, as it may not be possible to obtain a passport in time to participate in the program if you wait until the spring.

Visas

All finalists must receive an appropriate visa from their country of study (deadlines vary by country).

- The CLS Program, American Councils for International Education and the U.S. Department of State will assist you with your visa application, but cannot influence a foreign government's decision of whether or not to issue a visa. The decision to issue a visa rests solely with the government and consular mission of the country to which a student is traveling.
- CLS Program finalists and, in some cases, alternates may be required to work closely with CLS Program staff on preparing their paperwork well in advance of regular deadlines in order to receive a visa.
- Failure to meet deadlines or respond in a timely manner to CLS Program staff requests may result in not being issued a visa and therefore not being able to participate in the program.
- Finalists may be required to submit their passports for visa processing in the spring, prior to the program start date. This may require finalists to cancel or reschedule planned international travel in order to participate on the CLS Program.

Military Affiliation

The CLS Program welcomes applicants with affiliation to the U.S. armed services. All applicants with military affiliation, including all U.S. Department of Defense military and civilian personnel, service academy cadets, service members of active and reserve components, as well as inactive service members, including members of the Individual Ready Reserves (IRR), may be subject to passport or visa requirements, special waiver requirements, prohibition of travel to the host country, and/or other restrictions. Prior to completing the CLS application, all applicants with affiliation to the U.S. armed forces should carefully review the CLS Program's instructions on this topic at <https://clscholarship.org/faqs> and seek advice from the appropriate commanding officer.

Additional Requirements

If you are selected for a CLS Program award, as a requirement of your participation you must agree to the terms and conditions of the award. A copy of the terms and conditions for the 2021 summer program is linked below. Note that award terms and conditions are revised on an annual basis and may change before the 2022 summer program.

Your choice to continue indicates your consent to have this information shared as described. Please see our Privacy Policy at <https://clscholarship.org/privacy-policy> for more information about how the CLS Program protects your information.

Sections 1-2: Application Instructions, Program Overview and Requirements

The application instructions and program overview pages cover technical aspects of using the application system and describe the eligibility requirements and basic information about the CLS Program.

Section 3: Eligibility

Please complete the questions regarding your eligibility for the 2022 CLS Program.

Please read the prompts carefully and note that an answer of “No” to questions asked on this page does not necessarily indicate that you are ineligible for the CLS Program. Complete eligibility information is available at <https://clscholarship.org/applicants/eligibility>. A list of frequently asked questions is provided on the CLS website at <https://clscholarship.org/faqs>.

1) Citizenship: Only U.S. citizens and nationals are eligible for the CLS Program. Naturalized citizens must have U.S. citizenship by the CLS application deadline of November 16, 2021. Permanent residents and green card holders are not eligible to apply.

2) Age: You must be 18 years of age by May 15, 2022 in order to be eligible for the 2022 CLS Program.

3-5) Enrollment: Please answer questions about your enrollment status and the accreditation status of your university. If you are unsure about either, please refer to your college or university’s office of the registrar. If you are not currently enrolled for whatever reason, please describe your educational status in the space provided in 3a.

4) Leave of Absence: Please note that students on a leave of absence are not considered eligible for the CLS Program, with limited exceptions made for students who have withdrawn from their academic program in order to pursue an organized semester- or year-long study abroad or substantive internship program, who intend to re-enroll following its completion.

If you fall into one of these categories, you will be required to submit documentation of your study abroad or internship program and a signed letter from your home college or university in the U.S. explaining your situation

and your intention to re-enroll following the completion of your program. This documentation should be submitted to American Councils at cls@americancouncils.org no later than November 19, 2021.

5) Institution: Applicants must be students at Higher Education Institutions based in the United States that are accredited by a Department of Education recognized accreditation agency. Students at institutions with suspended accreditation are not eligible to apply. Students at colleges and universities based in a country other than the United States and its territories are not eligible to apply. Students at colleges and universities located outside the United States and its territories, that are nevertheless incorporated and based in the United States are eligible to apply, as long as they meet all other eligibility requirements.

6) College-Level Study: Applicants at the undergraduate level must complete at least one full year of college-level study at before participating on the CLS Program. You should indicate whether you will fulfill that requirement by the start of the program in June 2022. Note that part-time students still qualify.

9) Only One Application: Applicants may only submit one application for the CLS Program each year. If it is determined that an applicant has submitted multiple applications in the same application year, they will be determined to be ineligible to participate in the CLS Program. If you submitted an application in error and need help deleting it, please contact our staff at cls@americancouncils.org.

11) Fulbright: Applicants to the Fulbright student program may accept both a Fulbright U.S. Student Program grant and a CLS Program award in the same year, but may not accept a Fulbright Critical Language Enhancement Award (CLEA), which provides supplemental critical language study funding for Fulbright grantees, and a CLS Program award in the same academic year.

If an applicant receives a Fulbright grant with a mandatory pre-departure orientation whose dates conflict with the CLS Program, they will need to choose between accepting the CLS Program award and the Fulbright grant.

12) Veteran Status: All other factors being equal, the CLS Program gives preference to veterans of the U.S. armed forces. Note that active-duty members of the military do not qualify for a veteran's preference in this case. If you are a veteran, you must provide a copy of your DD214 or NGB-22 form to prove your status, or you may decline to receive this preference. You should redact your social security number on the form before submitting it.

Prior to completing the CLS application, all applicants with affiliation to the U.S. armed forces should carefully review the CLS Program's instructions on this topic at <https://clscholarship.org/faqs> and seek advice from the appropriate commanding officer.

https://clscholarship.org/assets/resources/2022_Language_Levels_and_Prerequisites.pdf to review which levels are offered for the CLS language you want to study.

The language that you select may be referred to as the "**target language**" throughout the online application.

Choose your level based on how many years of target language study you will have completed **by June 2022**:

- No target language study, or less than one academic year of study: **Beginning**
- At least one academic year of target language study: **Advanced Beginning**
- At least two academic years of target language study: **Intermediate**
- At least three academic years of target language study: **Advanced**

For example, if you are currently in your first semester of Arabic study, and plan to continue next semester, you will have completed one year of target language study by June 2022, and should apply for the advanced beginning level.

Applicants must choose one language **only**. Multiple applications by one applicant will result in disqualification from the CLS selection process.

2) After choosing a language, indicate the approximate number of years of formal target language study (or equivalent) at the high school and/or college level that you will have completed by June 2022. If you are applying as a beginning-level student, you may enter "0." You will have an opportunity later in the application to provide in-depth information about your target language experience.

Section 6: Biographical Information

1-2) Name: Enter your name as it appears on your government-issued ID documents, such as your passport or driver's license. If there is a discrepancy in the personal information listed on your various government ID documents, please use the information as listed on the passport that you anticipate using for CLS Program travel, regardless of whether you have this passport already or will be applying for it later.

Your name as entered will be used on all official CLS Program communications, so please use appropriate capitalization.

3) Gender: Although applicants are not required to disclose their gender identity on the application, responses to this question are used when reporting on the equity of the CLS Program's recruitment and selection process. If selected, applicants will be required to disclose their legal gender as indicated on their government-issued ID, which is required in order to ticket passengers for flights.

6) Dual Citizenship: If you hold dual citizenship with another country, mark 'yes' and indicate which country in question 6a. If you hold citizenship in more than two countries, please select only one to indicate here.

Prior to completing the CLS application, all applicants holding dual-citizenship should carefully [review the CLS Program's instructions on this topic](#).

7) Naturalization: Naturalized citizens are eligible for the CLS Program, but must be naturalized by the date of the application deadline, November 16, 2021. If you are naturalized U.S. citizen, indicate so and provide your date of naturalization in response to question 7a.

8) Permanent Residential Address: Please enter your permanent residential address, at which you are eligible to register to vote. The CLS Program reports to members of Congress when constituents from their states or districts receive a CLS award. Your address should fall within the congressional district you indicate.

9) Congressional Voting District: Enter the state code and district number of your congressional voting district. This should be the district where you are registered to vote or plan to vote in the next election. This information can be found on your voter registration card or by searching for your address at <https://www.house.gov/representatives/find-your-representative>.

Select "At Large" for states with only one Congressional representative. Those states are: Alaska, Delaware, Montana, North Dakota, South Dakota, Vermont, and Wyoming. Enter "At Large" also for the District of Columbia and U.S. territories (American Samoa, Guam, Northern Mariana Islands, Puerto Rico, and U.S. Virgin Islands).

10-13) Current Contact Information: Please provide the primary telephone number at which you can be reached through June 2022. If you are providing an overseas, non-U.S. number, please indicate the country code, preceded by a 'plus' sign (+). Also indicate an alternate phone number. The CLS Program will use this number to reach you only in cases where we cannot reach you using your primary email address or phone number and there is time-sensitive information that we need to communicate, such as a program deadline. Consider entering the contact information for a close friend or family member.

Enter the email address at which you would like CLS Program staff to contact you. All official CLS Program communications will be directed to the indicated e-mail address so you should indicate an address that will remain valid through June 2022. You must also enter an alternate email address. We strongly recommend you not to use university email addresses as your primary form of communication, as you may not have access to this email address after the current academic year.

If you are selected to participate in the program, we will contact you using the information that you enter here, so please provide contact information that you will be available at through the summer of 2022. If you are selected, you will have an opportunity to update your contact information at that time.

14) Passport Information: If you currently have a valid U.S. passport, please provide passport information exactly as it appears on the photo page of your passport. If you do not currently have a passport or access to your passport, you may select "No." A valid U.S. passport is not required in order to apply for the CLS Program, however all finalists are required to have a valid passport by March 2022 in order to participate in the program. If you do not take measures to secure a passport by March 2022, you will be responsible for any fees associated with expediting your passport application.

Visit the U.S. Department of State website at <http://travel.state.gov> for more information on how to obtain a U.S. passport.

Note that the United States is experiencing long wait times for new passport applications and passport renewals. Routine passport service can take up to 18 weeks from the day an application is submitted to the day a new passport is received. For this reason, you are encouraged to apply for a passport or passport renewal as soon as possible.

Section 7: Current Academic Information

1-5) Current College or University: Choose the name of your current college or university and provide information on your current enrollment, including your start date, expected graduation date, and the type of degree you are pursuing.

Please note that the data in the CLS Application reflects information derived from the Department of Education's Integrated Postsecondary Education Data System (IPEDS), which is updated on an annual basis. If your college or university is an accredited U.S.-based institution but not listed as an option, please contact us at cls@americancouncils.org and we will happily add it as an option.

You may optionally indicate the specific campus or division of your school that you attend. Note that this field should not be used in the place of your college or university name, which is required to submit your application.

If you are attending two institutions of higher education concurrently, or you are enrolled in a dual-degree program with two institutions, then please choose one to indicate here, which we will identify you as a student of during and after the program and indicate the other as a previous institution in the Previous Academic Information section. If one institution is not an eligible institution (for instance, if it is based outside the United States), then indicate the eligible institution in this section and the second institution in the Previous Academic Information section.

6-7) Current or Anticipated Academic Major(s): First indicate the name of your degree program at your university—this is the name of the degree that you are working towards and anticipate graduating with. Then, select your majors/fields of study from the provided list. You may not be able to find the exact name of your major or minor in the drop-down menu on the application. Please select one or more options that are as close to your degree as possible. The field of study list is derived from the [Classification of Instruction Programs](#), developed and maintained by the Department of Education’s National Center for Education Statistics.

8, 8a-b) Terms Completed: If you are not a first-semester students you will be asked to provide additional information about your school’s term structure and your previous academic performance. Please indicate the number of terms you have completed (whether semesters, quarters or other), not including the current term.

8c) GPA: Enter your GPA at your current institution, if applicable. Please round your GPA to the nearest tenth (e.g. 3.4). If you do not have a GPA, enter N/A in this field. Do not enter your high school GPA or your GPA at a previous institution.

9-12) Future Enrollment: Please answer the questions about your enrollment status in Spring 2022 (Spring semester or Spring quarter) and Fall 2022.

11) Anticipated Spring 2022 Courses: Please list all courses that you intend to enroll in for the Spring 2022 semester or the Winter and Spring 2022 quarters.

12) Fall 2022 Enrollment: If you’re planning on being enrolled in the Fall 2022 term, please indicate ‘Yes’ here, along with the approximate start date for the term.

Section 8: Transcript and Grades

1-2) Provide a copy of your unofficial transcript for your current college/university. Please ensure that your unofficial transcript includes the courses that you are currently enrolled in for the Fall 2021 semester, as well as all previously completed courses. There are two methods to choose from to provide your unofficial transcript record with your online application:

Option 1: Scan and upload a copy of your transcript or grade list to the online application. The maximum allowable file size is 5MB. If your transcript file is larger than this, the file size must be reduced before uploading it. Do **not** upload a digitally signed or password protected e-transcript PDF. Most e-transcripts produced by universities are digitally signed and cannot be submitted with this tool. As a workaround, you may print your e-transcript and then upload a scanned copy of the printed transcript.

Note: Some transcripts include the Social Security Number students. If your transcript contains your social security number, please remove this information before uploading it.

Option 2: Alternatively, you may enter your courses and grades manually by completing a form. Using your online grade report or transcript, please enter information on all courses you have taken. Please provide details on any courses listed on your transcript, including those you may have withdrawn from or for which you received

an incomplete. This form should match your institution's record, exactly. If you have not received a grade yet, please enter "N/A".

Note: Failure to provide unofficial transcripts may result in the disqualification of your application. Please note that the CLS Program will verify official transcripts after selection. Falsified unofficial transcripts will be grounds for disqualification.

3) Are you currently enrolled in courses at your home institution (that will appear on your home college or university transcript)? You should indicate here the courses you are currently enrolled in at the time you are submitting your application. These may be reflected on your transcript as well.

Section 9: Previous Academic Information

If you have attended another college or university in the past, please provide this information in your online application. You may add as many additional entries as needed. Upload a copy of your unofficial transcript for each institution attended.

Section 10: Language Study

1) Target Language Experience: If you are applying at any level above the beginning level, provide information on the approximate total number of contact hours you anticipate having in the target language by the beginning of the 2022 CLS Institutes. For example, a typical academic year is nine months (32 weeks). A typical language course is 3-5 hours per week or 96-160 classroom hours. The number of classroom hours provided should include previous, current, and anticipated Spring 2022 target language courses.

2-3) Previous Language Study: Provide details of your previous experience studying and using your target language.

Provide any information regarding your target language background. If you have studied with a tutor, have knowledge of a specific dialect in the target language, or have a family background in the target language, please provide this information in the appropriate sections.

4) Target Language Travel: Provide information on any travel you have done to a country or countries where the target language is spoken.

5-7) Target Language Courses: Provide information on formal language courses that you have taken previously, the primary course you are enrolled in currently, and courses you intend to enroll in during the upcoming Spring or Winter term. You should not provide information for literature or other content courses unless the class is taught in the target language, including all readings and written assignments.

8) International Travel: List all significant international travel opportunities you have participated in previously for the purposes of work or study.

Section 11: Other Language Study

Provide information on other languages you speak, as well as previous language study.

Sections 12-13: Recommendation Request

Each applicant must provide one recommendation.

Recommendations may be provided by an academic advisor, a current or past professor, or someone who knows the applicant in a professional or volunteer capacity. The letters of recommendation may not be completed by anyone who is related to the applicant.

All letters must be submitted in English only; letters written in a foreign language will not be accepted.

In Section 13, you should indicate who will be providing your recommendation letters. You must enter the name and contact information for your recommendation provider, whether they will be submitting their form online or on paper.

How the online recommendation process works:

- Enter the name and contact information for your recommendation provider.
- When you complete all required information about your recommendation provider, you will be given access to a “Request Recommendation” button. When you click the button, an email will be automatically sent to the recommendation provider with a link and instructions on how to proceed with the online recommendation form.
- Recommenders are required answer a series of questions through an online form or to print the form and provide typed responses to the same questions.
- When the recommendation provider submits the form to our office it will become a part of your application.
- You can view the status of your online recommendation form each time you log into your application account. You will not be able to see the actual form or letter, but you will be able to track the status of the recommendation process (notification sent, recommendation form opened, saved, or submitted).

Do not wait for your recommendation to be complete before submitting your application. You will still be able to request recommendations and track the status of your recommendation after submitting your application.

Please Note: If you change the email address of your recommendation provider **after** sending a request, any completed recommendation form from that recommender will be deleted permanently. Please take extra care when choosing to change your recommendation provider after requesting a recommendation.

Section 14: Activities and Employment

Provide information on up to five jobs, internships or activities.

Provide information on only those jobs or internships that are directly relevant to your language study, academic program, or your eventual professional career. Please also indicate campus or community activities in which you have participated, especially those activities that demonstrate leadership capacity or are connected to your professional goals or interest in the target language.

Section 15: Previous Programs, Honors, and Fellowships

Indicate any fellowships or academic honors that you have received, including previous CLS Program or other U.S. Government funded awards.

1) Previous CLS Participation: If you have been offered or received a CLS award in the past, you will be asked to supply additional information about your goals for participating on the program a second time, or about why you were unable to complete the program previously. Note that participation is limited to a total of two CLS awards for any individual. Applicants who have been selected for and participated in the CLS Program one time can apply for a second award. Applicants who have successfully completed the CLS Program two or more times are not eligible.

Participation in CLS Virtual Institutes in Summer or Fall 2020 does not count towards the limit of two participations.

2) U.S. Government Awards: Indicate other U.S. Government-funded programs in which you have previously participated.

3) Other Honors: Optionally, you may also indicate up to three other fellowships or other academic honors that you have received.

Sections 16-17: Short Essays & Statement of Purpose

There are five essay questions on the application form. Your response to each essay question should follow the guidelines for each question regarding the number of maximum words:

- 1) Resilience (300 words maximum)
- 2) Preparation for the CLS Program (300 words maximum)
- 3) Citizen Diplomacy (300 words maximum)
- 4) Commitment to Language Study (200 words maximum)
- 5) Statement of Purpose (500 words maximum)

Essay responses may be written using a word processing program, then copied and pasted into the online application. Essays exceeding the word limit will not be considered for the scholarship. Please note that the word-count software used by the online application may differ from the software used by your word processing program. Be sure to leave yourself time to edit and reduce your word count, if necessary.

Before you begin your essays, it is strongly recommended that you read the information on the CLS website pertaining to your language and watch the video providing guidance for writing effective application essays for the CLS Program at www.clscholarship.org/apply. Applicants are encouraged to have an academic advisor, peer reviewer, or writing tutor review essay responses before submitting an application to the CLS Program.

If you have previously participated in the CLS Program, you may not reuse the same essay responses from your previous application(s). If you applied previously but were not selected, you may reuse material from your previous application(s) if you wish.

Save your work frequently to avoid accidental data loss!

Section 18: Statistical Information

All questions in this section are optional. If you choose to complete the questions in this section, the information will not be shared with application reviewers and will not affect your eligibility for the award, or have an impact on the evaluation or selection process.

Information in this section is used when reporting on the equity of the CLS Program's recruitment and selection process and may be used in aggregate for the production of external reports or public presentations.

The U.S. Department of State and American Councils welcome all eligible applications and do not discriminate on the basis of race, color, national origin, sex, age, religion, geographic location, socioeconomic status, disability, sexual orientation or gender identity.

Section 19: Review and Submit

If any mandatory fields are missing, you must complete them before the application can be submitted. Not all questions are required.

Before you submit your application, please be sure to review all sections. Make sure you have answered all the questions and required fields, uploaded all the required documents, and that you are satisfied with your responses.

Once you submit your application, you will no longer be able to make changes to any section of the application. You will be able, however, to continue to view your application online via this system with your existing login.

If you are not ready to submit your application, please press "Save Changes" and log out of the system. You will be able to log-in at any time, thereafter, until the application deadline, and continue to complete or edit your application.

Before submitting your application, you will be asked to type your name as an electronic signature certifying that the material you entered into the online application is true and that you understand and agree to the terms of the application.

Please note: The CLS Program Application is not submitted until you press the "Submit Your Application" button and you receive an email confirmation. If you have not filled out necessary or required information in the application and attempt to submit your application, you will remain in the 'Review and Submit' section and will be able to see which sections are incomplete in the section navigation box on the left hand side of the application; incomplete sections requiring additional information will be noted, in red text, with an asterisk. You must return to these sections, fix any errors or omissions, and submit your application again before it may be considered complete. You will receive an automated email confirming the submission of your application.

You should submit your application before the application deadline regardless of whether your recommender has submitted their recommendation form or not. They will still be able to submit their recommendations forms after you have submitted your application.
